The Tight Lines Advisors No-Fee

ACTION AUDIT

The Tight Lines Advisors' Action Audit is a complimentary service that analyzes, evaluates and identifies key opportunities within your organization's facilities and key operations that can result in sustainable improvement in productivity, gross margins and competitive position.

The three-part Action Audit defines and examines your stakeholder-centric problem areas, develops a baseline valuation, explores opportunities, and details projected improvement on gross margin, and consideration of its impact on revenues.

To schedule a no-obligation, no-fee Action Audit, call **John Abplanalp** at **203.978.3522**.

TIGHT LINES ADVISORS

Manufacturing Performance Consultants

ACTION AUDIT

1

PHASE 1: PRE-VISIT PREPARATION

- NDA completed and in place prior to visit
- Copy of available company financials received and reviewed before the site visit (P&L Statement, Balance Sheet)

2

PHASE 2: ON-SITE VISIT AND INSPECTION

- Tour the manufacturing plant and key operations
- Evaluate overall plant operating hours, utility costs, wear & tear costs, maintenance, repairs, and other key factors
- Overview of operating efficiencies and deficiencies, which generally include:
 - Overall performance
 - Weakest performing elements
 - Health & safety issues for past 3 years
 - Level of material losses
 - External failure/customer complaint rate
 - Level of overtime/amount
 - Lead time & on-time delivery percentage

3

PHASE 3: ACTION SUMMARY & REPORT

- Generated within five (5) working days
- Contains a summary of projected improvement on gross margin and consideration of its impact on revenue
- Identifies potential upside and opportunities via application of the Tight Lines Performance AcceleratorSM

Transform your organization
into a purpose-driven company and experience
improvement through innovation.

It begins with a call to Tight Lines Advisors
to schedule a no-free Action Audit.
